

RECYCLING FOR A GREENER WORLD

Posiflex India PRODUCT TAKE-BACK & RECYCLING PROGRAM

Posiflex India is offering an e-waste take-back & recycling service that adheres to the E-Waste (Management) Rules, 2016 issued by the Ministry of Environment and Forest, Government of India. To act responsibly towards the environment, we have pledged to recycle electronic items, such as User Terminals, Computers, POS etc. that are intended to be discarded as waste by the consumer. When an electronic product reaches the end of its life, we take it back and recycle it. All Posiflex India products are RoHS compliant.

We believe that saving the environment is a shared responsibility between us and our consumers. Our Product Take Back & Recycling Program is an e-waste management initiative towards reducing the environmental impact of our products. Join us as we venture to save the environment!
